

# Join the Paragon team in 2019

UK Wide year out placement opportunities

“Paragon value their placement students and have allowed me to carry out simple site surveys and investigations independently, which has been extremely beneficial for my progression”

“Paragon covers every aspect of Building Surveying, from small defect inspections to multi million pound Project Management instructions, for a variety of clients. You will get involved in them all!”

“Working for Paragon has become more than a job, it’s a way of life and a network of friends.”

“The only down side I can think of, is the fact I’ve got to return to University to complete my final year”

Paragon is looking for confident, articulate and commercially minded building surveyors, quantity surveyors and project managers to join our rapidly expanding business for their placement year. We are a project and building consultancy with expertise in all areas of commercial building surveying, project management, project monitoring and cost consultancy from our offices in London, Esher, Manchester and Edinburgh. We are a fun, dynamic practice who is offering fantastic graduate and placement opportunities, with involvement in a broad range of activities for interesting clients and the opportunity to return as a graduate following the completion of your degree.

If you're interested in gaining excellent work experience, whilst receiving a competitive package, then please send your CV and covering letter stating why you think you'd be suitable to [romneekkunvarji@paragonbc.co.uk](mailto:romneekkunvarji@paragonbc.co.uk) by **31st January 2019**.

If you'd like further information on Paragon or this opportunity, please contact Paragon's HR Advisor - **Romneek Kunvarji (email address as above)**.

Paragon is registered with RICS as an APC accredited employer.
